

Becoming a wholesale customer

The details of becoming a wholesale customer are listed below.

If you are interested in delivery service, we delivery to Berwick, Cambridge, Coldbrook, Kentville, New Minas, Wolfville, Windsor, HRM and surrounding areas on Tuesdays & Fridays of each week.. There is a order minimum of \$150.00 per delivery, and a small delivery charge for delivery will apply. We would also service Truro & Masstown areas on Fridays of each week.

We delivery to Kingston, Greenwood, Annapolis county, South Shore, Digby areas and surrounding areas on Thursdays of each week.

There is a order minimum of \$150.00 per delivery, and a small delivery charge for delivery will apply.

If you intend to pick up your orders yourself at the (Berwick store), then there would be no order minimum or delivery fee.

In either case, **we do request as much notice as possible when placing orders (a minimum of 48 hours)**, as we make most of our products ourselves and would need advanced notice to ensure we had the product available.

When you inquire, a wholesale packet along with our business application will be sent to you. We do require a credit card be placed on the account for payment of invoices after that have been delivered. Once we have approved your application, we can begin servicing you as a wholesale customer.

If you have any other questions please do not hesitant to ask.
